

DART TREE DONATION NOMINATION

In the year 2020, Dart is donating 366 trees to the Cayman Islands – one for each day of the leap year. Sourced from Dart's Nursery, the trees will include a variety of native, ornamental and fruit-bearing species, ranging in size from three to 10 gallons. The goal is to ensure each of these 366 trees is planted where they will enrich lives now and for future generations, whether that be in a school playground, public space, or historic site. Please use this form to nominate a site for a tree donation and submit the completed form to donations@dart.ky.

Fields marked with an * are required.

CONTACT INFORMATION

1. First Name* _____ 2. Last Name* _____
